BPG PALETTE SCRAPINGS, January 2022

Dear Members

Welcome to 2022 and what promises to be another interesting year ahead! I am pleased to advise that, at this stage, we are continuing with our planned activities including classes, Art Gallery tours and hopefully Social Nights and Plein Air. First things first….

COVID19 UPDATE JANUARY 2022.

- As of the current date we can still comfortably accommodate classes and activities in the Hall.
- We have previously advised that BPG requires all participants to be fully vaccinated. We are also requiring Tutors to be fully vaccinated. You will be requested to sign a Declaration Form to this effect when you attend an activity. You will only be required to sign once, and we will retain the records confidentially.
- Social distancing requires us to set up at 1 person per 4 square metres.
- QR Code or manual check-in is still a requirement.
- Masks must now be worn indoors unless eating or drinking, or you can produce a medical exemption.

And it goes without saying, if you feel unwell for any reason, are a close contact of someone with Covid19, are in isolation or quarantine for same, or think you may have recently been in a high risk setting you should not attend any BPG activities until you have the all clear.

CLASSES AND WORKSHOPS

We are very pleased that Roe Gartelmann and uta Mooney are willing and able to proceed with the following Term 1 classes. If you wish to enrol, please be mindful that we will not be able to issue a refund should you become ill or have to isolate. However, should we have to discontinue classes, refunds or make-up dates will be provided. Note that class payments have been increased slightly to $95 per term, which is still excellent value. Class payments should be made immediately upon enrolment to:

Account Number: 286130240
Account Name: Burnside Painting Group Inc

TERM 1

MONDAYS at 10.00am – 12.30pm from 31st January - 7th March

ROE GARTELMANN - "Pastels Plus" – incorporating water-based media and/or acrylic into pastel work.

To enrol contact Lyn Coad at: lyn.coad7@gmail.com

THURSDAYS at 10.00am – 12.30pm from 3rd February – 17th March

UTA MOONEY – Mixed Media – "Tissue Paper Collage – a Further Exploration". Advanced class requested by BPG Members.

To enrol contact Maureen Finck at info@maureenfinckart.com

By popular demand, you can further explore collage with tissue paper, a technique that was touched on in previous classes.

Tissue paper can be a great medium to encourage playing with colours and layers. As you layer the tissue, the other pieces show through. This can create some really interesting and beautiful effects.
Due to drying time, you will need to stain your tissue paper at home in your chosen colour palette prior to the commencement of the classes.
As this is an ADVANCED CLASS, it is recommended you've attended previous classes with Uta.
White, acid free tissue paper can be purchased at Eckersley's.

*****SOPHIE HANN'S Term 1 class is now CANCELLED*****

SOCIAL EVENTS

End of year function and SALA Awards Night, 24th November 2021

It was a fine summer evening for the 50 or so people who came along to our very successful end of year function. Due to Covid19 spacing requirements, tables for four were appropriately spaced out in the hall. Each was covered with a cloth and equipped with a battery-operated candle, gold disposable plates and serviettes. Christmas lights and tinsel highlighted the bar, and tinsel and baubles in the shape of trees provided some decoration on the walls. Once again, our resident minstrel, Chris Wyndham, provided music and song to delight.

Following the presentation of Awards and a very interesting talk by our Patron Vicki Chapman, a delightful catered supper was served. Many thanks to Thelma Harvey, Cynthia Millowick and Jenny Haslam who worked tirelessly to prepare the hall and food for serving.

Two "lucky seats" won prizes Art to Art vouchers.

It was a very happy and successful evening, with guests mingling responsibly and enjoying each other's company. You can find more photos at https://www.burnsidepainting.org/

We are planning to hold a few social nights this year too. More to come.

PLEIN AIR

As advised in her Christmas message, Judith will only contact regular Plein Air attendees about planned events in future, so if you are genuinely interested in coming along please contact Judith at bpgpleinair@gmail.com.
